- ✓ We work remotely with clients across Russia

Websites, SEO and 1C

Turnkey websites

Turnkey service websites and online stores: structure built around search queries, fast loading, mobile-ready, analytics and security. Private staging first, then launch on your domain.

Tenders and CRM

Tender search

We find tenders under 44-FZ, 223-FZ and on commercial platforms that match your product range and deliver them to CRM as ready deals. Other bots too.

AI tender manager

We review new procurements for your range: read the specification, match items with your catalogue, price them and give a bid or no-bid decision in the CRM.

How we work

01

Discovery

We look at how your sales, website and accounting work now and propose a solution and an estimate.

02

Staging

Changes are built on a private staging server: you see the result before launch.

03

Checks

A separate review, checks on phone and desktop, speed and SEO.

04

Launch

We move it to your domain or server by plan, with a rollback option.

05

Client area

Tasks, articles, hours and reports are visible in your client area.

06

Support

Changes and support billed by the hour.

Pricing

2,500 RUB

1 hour of specialist work

2,250 RUB

per hour from 10 hours, 10% off

- ✓ Websites: an estimate by stage, so you see what you pay for
- ✓ Tender search, CRM setup and the AI tender manager: priced per project
- ✓ SEO: the monthly work is priced after the audit
